2013-2014 Annual Report

- The Student Academic and Financial Affairs Committee met 3 times during the 2013-2014 year.
- It conducted much of its business via email, particularly in relation to requests for excused absences and athletic travel schedules.
- Dr. Craig Tovey served as Chair of the Committee.
- The business of the Committee is related to academic policy matters and financial matters that impact students throughout their careers at Tech.
- The Committee also oversees the excused absence policy and travel schedules of teams with the GT Athletic Association.

2013-2014 Annual Report

The following areas were discussed/addressed by the Committee:

- Excused absences
- Schedules of athletic teams
 - The Committee conducts a great deal of business in this area by email.
 - There was continued concern about any athletic team that requests more than 10 days in its travel letter. This means that there are excused absences approved for 10 class days.
 - Although this does not mean that the student-athletes are missing 10 class sessions because not all members of a team travel to all events and not all of the team members have class sessions on all ten days, but it does remain a concern for the Committee.
- Student fees
 - The Bursar was a guest at the November 18, 2013 meeting. Several topics were explored.
- Student advising
- Retention of students
