2. Discussion topics included the following. Committee members needed to refresh and determine what areas need to be addressed by the Committee in the coming months.
  - a. New student center – what would this mean for students and the campus that might be of concern to the Committee
  - b. Student-veterans, tuition increases and benefits
  - c. Tuition and fee increases
  - d. Enrollment projections for next year

- e. Establishment of a Phi Beta Kappa chapter on campus – benefits and possible drawbacks
- f. How well our students are performing in critical thinking areas and what might be suggested and to whom to address it
