Agenda Items:

1. Welcome & introductions
2014/2015 New Chair Hyesoon Kim
2. Approval of the minutes from sep-12-2014
3. Review of 2014 student Computer Ownership Guide
 - Key discussions:
 - Tablets that can run desktop operating systems are acceptable.
 - High-end graphics cards are good but we don't emphasize those high-end features to the students
 - 128GB storage is fine but we need to emphasize that bigger size much more desirable.
 - Dual band network feature is crucial for a given campus environment
 - Backup service needs to be emphasized.
4. Volunteers for needed tasks:
 - Revision of sections of Student computer Ownership guide
 - Garth & Peter will review hardware requirements
 - Reeves will review FAQ

Submitted by Hyesoon Kim, 2014/2015 Chair – Student Computer Ownership Committee

Development of pamphlet format of revised guide for easier distribution at FASET
Peter volunteered to help pamphlet format

5. Adjournment

The meeting was adjourned at 1 pm.
